

# Test Offstreet on Your Campus with our Free Pilot Offer

Trusted by **100+ campuses** across North America.

## What's Included

### Full Platform Access:

Test Offstreet with real departments, lots, and guests — just like production.

### No Cost, No Risk:

Our 3 month pilot program is 100% free. No commitment required.

### Department-Friendly Tools:

Branded portals, flexible guest links, custom pricing — all tailored for your campus.

**We'll provide documentation to support internal approvals. If the pilot is successful, billing begins in month 4.**

## Setup Timeline

### Month 1

Setup + training

### Month 2

Live departmental usage

### Month 3

Review results + expansion planning

## Why Use a Pilot on Campus?

Test with real departments before broader rollout

Reduce operational burden on parking staff

Give departments a more self-serve experience

Validate workflows before budget commitment

## Our Support, Every Step of the Way:

Your dedicated Account Manager will be by your side from day one.

We'll handle:

- ✓ Department rollout support
- ✓ Demo/training for internal staff
- ✓ Real-time help during the pilot
- ✓ Custom documentation if needed
